The Co-incubation network enables entrepreneurs to access all the expertise available to develop or improve new products/ services, bring them to market faster and cheaper in line with international standards.

Thus a Co-incubation network will help to ensure that in future the incubators will generate more successful companies. This will make the incubators act as the most effective tool for economic development of the country.

The Co-incubation will cover all of the facilities available in both the host Incubator and the co-incubators. Any incubatee enrolling for incubation programme in any of these incubators will have access to all the services in both incubators.

Proposed Incubation unit-- at M.A.M B-School as the Co-incubator will avail the expertise and services of Periyar TBI to support its on-boarding process of establishing the incubator services. Primary focus will be on the following support services

1. Creation of new cohorts for providing the incubation support at M.A.M B-School

During the said duration of the cohort, selected startup management teams can work with the pool of mentors and advisors of Periyar TBI so as to pitch their ideas to potential customers and investors. At the same time, incubator staff shall work with the companies to set up their operating processes. Each cohort usually ends with the Demo Day. During the Demo Day, companies from a cohort present the results of their work to an audience selected by M.A.M B-School and Periyar TBI.

2. Mentorship and advisory services

The mentorship and advisory services available with Periyar TBI shall be shared to the Proposed incubator at M.A.M B-School and their startups to reduce the gap in their knowledge or experience needed to make better decisions.

Mentoring support shall be provided to Co-incubated startups (need based engagement) along with Training & workshops. Periyar TBI shall guide them in seeking market access.

Memorandum of Understanding

This memorandum of understanding is made and entered into on the **20.08.2019** between Confederation of Indian Industry, Young Indians (hereinafter referred as CII-Yi) and **M.A.M B-School** (hereinafter referred to as **MAMBS**).

Whereas

M.A.M B-School is an educational institution which focuses primarily on **Management Education** in Trichy founded by the **Maluk Educational Health & Charitable Trust** and is affiliated to **Anna University**.

And Whereas

The CII-Yi Yuva platform is one of the most active focus areas within Young Indians by which Yi members engage students from across the country in various initiatives that the students conceptualize, plan and execute. The objective is to create a bridge, a platform for the students to work in cross functional teams with a broad objective of enhancing their leadership skills and giving back to the nation. In the process, the students work in leadership roles while operationalizing projects that are based on self-development, skill building, community service and nation building.

It is hereby mutually agreed to by both parties as follows

In tune with the Yuva vision to influence inspire and motivate millions of students across the country, Yi will work with **MAMBS** by forming a Yi Yuva.

Through the CII-Yi Yuva, Yi intends to provide an opportunity to start thinking and work for India, Sowing the seeds of thinking about India and its growth at schools and colleges, an invaluable motivation for young minds to see how other young achievers are making a difference, bridging potential with achievement, a unique networking opportunity with peers across the country, developing leaders for tomorrow, an experience on leadership and team building and an opportunity to volunteer / participate in Yi events at the chapter and national level.

The role of the institution would be to enroll a minimum of 50 students at the beginning of the year and increase the same substantially through the years that follow; that their contact details will be given on the day of their sign-up ; that it undertakes to follow the charter (attached), that it will depute a faculty/ teacher coordinator for the Yi Yuva whose role has been defined in the charter, that the students will be given the motivation and opportunities to engage in activities and initiatives that they conceptualize, that these students are to make reports regularly on their activities to the Yi Executive Member (also mentioned in the annexure) and that the students will be allowed to participate in the Yi National& Chapter events in other cities like the summit (finer details to be worked in coherence with the institution's policies)

The role of Yi will be to nominate a member from within its membership (called as Yuva Chair) who will be a mentor to the Yuva.
