Our library now functions in a full-fledged manner and cater to the library needs of students and faculty members. Books and journals are easily accessible to both students and staffs.

### Objectives

The primary objective of the library is to serve to the needs of our library. It acts as a centre for study and research for the inmates of the college giving way to integral department of users. Being a college library attracts the users on non-deposit basis for academic and professional purpose.

### Library Policy

The library aims at being a Resource centre, a social institution a force for educational excellence by providing and Non-book materials, to promote good values, genuine human relationships, social consciousness, leadership capacities, and academic excellence in research and teaching.

### Automation of Library

The library implemented KOHA – an open source software package which is an integrated library management system that supports all housekeeping operations of the library. KOHA a very large user community spread across the globe and consists of modules on acquisition, cataloguing, circulation, serials and OPAC. The entire collection of the library has been catalogued and a comprehensive database of all book resources in the library has been created. a database of all patrons (members) has also been created using the KOHA package. The circulation process of issuing books, return of books and reservation have been automated Records for all library members- students, faculty, officers and administrative staff are being migrated to the new computerized circulation system. The package has been implemented for Acquisition and Cataloguing activities.
