Women Empowerment Cell and POSH Cell

Work Place Sexual Harassment

Mrs.R.Sridevi, Advocate delivered the lecture on 23rd April, 2022.

Women Empowerment Cell and POSH Cell organized guest lecture entitled “Work place Sexual Harassment” on 23rd April, 2022. Mrs.R.Sridevi, Advocate, Radio Jockey in Suryan FM, Trichy was the resource person for the programme. The resource person initiated the session by giving information about POSH (Prevention of Sexual Harassment) under IPC Act 354 and 503. She said that in recent times the role of women at workplace has increased tremendously. However, they are vulnerable to harassment in the workplace.

The Constitution of India plays a pioneer role in protecting the women from discrimination and ensuring gender justice in the present times. The guest speaker explained about Vishakha guidelines, what constitutes a sexual harassment, method of lodging complaint and the conduct of investigation. She pinpointed on the various circumstances leading to abuse, women’s rights at the work place, the relevant laws and the officials they should report to in case of any adverse situation. She opined that sexual harassment is a form of violence and discriminatory treatment against women. The session was significant and beneficial thought provoking programme for the students.

Mrs.R.Sridevi, also informed that in order to curb this problem, the Government of India enacted a law on ‘The Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013 to ensure safe working place for women and to build enabling work environment. She explained the historical significance of the Act deciphering the important terms involved in formulating the Act. She also mentioned the laws which supports the female gender. She mentioned that it requires the employer to organize workshops and awareness generation programs at regular intervals for sanitizing the employees with the provisions of the Act.

In her speech, she highlighted the history of implementation of the various Acts in India. The speaker covered all important facts under different sections of the Act such as definition of sexual harassment, composition of ICC, complaint mechanism, steps for conduct of inquiry, report submission by ICC,,. She also described about the duties as well as the power of ICC in a govt. or public organization.

She urged the students to remain alert and fight against the crime. She briefly explained about various provisions related to punishments that can be awarded was highlighted.

Dr.M.Hemalatha, Director, M.A.M.B-School given the felicitation address and emphasized on the importance given to women in the law and also some preventive measures to be taken by all women in all ways and means to ensure the safety aspects of women at society at large.

Thanneer Club

Pattimandram: Who is the reason behind today's environmental degradation: Educated people? Or Illiterate?

Prof. K. Satish Kumar, Assistant Professor, Department of Tamil, Kalai Kaviri College of Fine Arts, Trichy

Thanneer Club organized “Pattimandram” entitled: Who is the reason behind today's environmental degradation: Educated people? Or Illiterate? on 28th May, 2022. Mr.K.C.Neelamegam, Executive President, Thanneer Club given the felicitation address for the programme and Prof.K. Satish Kumar, Assistant Professor, Department of Tamil, Kalai Kaviri College of Fine Arts, Trichy was the judge for the programme. The students M.Sathyaseelan, M.Ishwarya and M.Manjubashini were under head educated and they started their debate as the educated people knows very well of using plastics will affect the environment and that leads to harm ozone layer but still they don't bother about it and carrying that wherever they go. They also pinpointed that now-a-days people cutting off the tress for building big malls and apartments thereby affecting the nature and that leads to lack of pure air and as result this can damage the atmosphere and lead to global warming and eventually climate change. They stressed that the use of own vehicles should be minimized as much as possible. Hence, the students argued that the educated one are the cause for today's environmental degradation.

The team (M.Murali, N.Suryaprakash and K.Meenakshi) under the head “Uneducated People” shared that uneducated people in society are the major reasons for degrading the environment. This includes not aware on safeguarding the environment due to lack of environmental education, non follow up of proper rules and regulations that results in detrimental effects to society as a whole. The team also pinpointed that many communicable diseases are also by uneducated people due to non compliance of precautionary measures and actions especially that had during COVID pandemic periods. After carefully observed all the inputs from both respective teams, the judge announced that the educators are the main people who degrading the environment and because of them only the environment is getting polluted. The judge also highlighted that it is the responsibility of every citizen of a nation to safeguard the environment thereby the sustainability of earth can be ensured as a whole. Dr.M.Hemalatha, Director, M.A.M.B-School highly applauded the commendable insights that are shared by respective team members and informed that it is the onus of every individual to protect the environment thereby to live the eco-friendly life by and large.Mr.S.Prasanna, Thanneer Club coordinator made the requisite arrangements for the programme.

பாரம்பரியம் காப்போம் Traditional Beverages Market (பாரம்பரிய பானங்கள் அங்காடி)

Traditional Beverages Market (பாரம்பரிய பானங்கள் அங்காடி) as part of "பாரம்பரியம் காப்போம்" program organized by Thanneer Club (26.06.2022), Dr. M. Hemalatha, Director, M.A.M.B-School acted as chief guest . Our students also displayed their stalls by covering millet based food/beverages items during the program pertinent to create and highlighting the awareness on importance of traditional millet food products amongst the society. The traditional market is aimed at sensitizing people to the importance of traditional food items. With the rise in health consciousness and increasing middle class income, there is a growing demand for Nutritional food products. Our students prepared the home made food products by using millet, prepared new range of herbal juices, honey syrup, spreads, cereals, and beverages. considering the rising health issues and the growing demand for natural and traditional products to cure/maintain health. Mr. S. Prasanna , Assistant Professor, has made the arrangements for the program.

This platform encourages students to create wild ideas and build on these ideas with participation from the team to see creativity in action! Our institution is strenuously working towards to nurture the next-generation wealth creators and entrepreneurs to strengthen India's startup ecosystem".

Build Club

Millet Food Contest

In association with IITM BUILD CLUB, Cultural Club organized a programme entitled “Millet Food Contest” on 22nd April, 2022. The students displayed variety of millet foods for sale and the visitors also get a taste of so many nutritious products as part of the programme. The millet food products that includes pearl millet (kambu), finger millet (kelvaragu), foxtail millet (thenai), sorghum (cholam) and also kodo millet (varagu) etc that were some of the displayed food items by the students. The students also highlighted that in today’s ever challenging life, the people are not given their attention to focus on health aspects. Hence it is necessary to bring back the younger generations as well as the children to their roots by consuming millet food products.

The theme of the contest was Millet and Millets should be the main ingredient of the dish prepared by the students in the cooking competitions.

The students also focused unusual variety of dishes that includes multigrain laddus, thenai pongal, kelvaragu biryani, kambu urundai, varagu idli, ragi murukkus etc were displayed during the programme. The event gave a platform to the students to demonstrate their culinary knowledge and skills related to: developing and following a recipe, preparation of a dish, and displaying the dish before a judging panel where it will be evaluated on flavor, taste and palatability.

The students also provided the details about the dishes that they prepared by using the millets as well as the procedures and also stated the benefits of consuming the millet food products to the visitors. Dr.M.Hemalatha, Director, M.A.M.B-School given the welcome address and stated that the rationale behind to organize these programme was to create an awareness among the society particularly younger generations by identifying the advantages and essentialities of traditional food items thereby to live the life as healthier and happy in all ways and means. Dr.R.Jeevarekha, Build Club Coordinator, M.A.M. B-School stated that the public to shun junk foods that are harmful and educated the visitors about the benefits and uses of millets and made the requisite arrangements for the programme.

IITM BUILD CLUB and Cultural Club organized a “Millet Food Contest” on 22nd April, 2022.

Millet Food Display

Youth Red Cross

Disaster Management Workshop

Er.G.Rajasekaran, Chairman, Indian Red Cross Society, Tiruchirappalli District Branch & M.Jawahar Hasan, Honourable Secretary, Indian Red Cross Society, Tiruchirappalli District Branch were the chief guests and Mr.P.Mohan, Joint Secretary, Indian Red Cross Society, Tiruchirappalli District Branch was the resource person.

In association with Indian Red Cross Society organized programme entitled “Youth Red Cross Installation and Disaster Management Workshop” on 14th June, 2022. Er.G.Rajasekaran, Chairman, Indian Red Cross Society, Tiruchirappalli District Branch & M.Jawahar Hasan, Honourable Secretary, Indian Red Cross Society, Tiruchirappalli District Branch was the chief guests and Mr.P.Mohan, Joint Secretary, Indian Red Cross Society, Tiruchirappalli District Branch was the resource persons. The purpose of the workshop is to build capacity of community groups to handle any disasters effectively and to save lives of maximum people at the time of disasters by initiating support activities.

Mr.P.Mohan explained that the disaster management is the efficient management of resources and responsibilities that will help in lessening the impact of the disaster. He also spoke about the man-made disasters like road accidents, human bomb, fire accidents etc. and natural disasters like cyclone, landslides, floods etc. which are also increasing day by day due to global environmental changes. He also explained the basic concepts of hazard, vulnerability, risk etc. of disaster management and how the preparedness in pre-disaster period can be useful to mitigate the impact during the disaster and also after it.

He insisted a well-planned plan of action to reduce the dangers caused by the disaster to a minimum. Also, he informed that the disaster management aims to reduce, or avoid, the potential losses from hazards, assure prompt and appropriate assistance to victims of disaster, and rapid recovery works. He also shared the types of disasters such as floods, droughts, earthquakes, cyclones and the process of preventing those disasters includes prevention, mitigation, preparedness, response and recover were important during the disaster. He elucidated the standard operating procedures for rehabilitation camps after the disaster. He also explained why it is necessary to have disaster management plan for any public and private place or property. However, its framework and process was followed by group work. During their interactive session, seven techniques of psychological care were taught with the help of different activities in which students participated actively. They told the students about the various impacts of disaster on pregnant ladies, children, orphans, old people and the need of psychosocial therapy during disaster. Overall, the training program was very interesting, informative and useful because it is going to remain forever with the participants. Mr. A. Anburaj, Youth Red Cross (YRC) Coordinator, M.A.M.B-School made the requisite arrangements and proposed vote of thanks for the program.

Institute Innovation Cell

Eco-friendly Ganesha Making Workshop

"Make Your Own Idol" on 30th August, 2022

"Eco-friendly Ganesha Making Workshop: Make Your Own Idol" was jointly organized by Student Association Club, Women Empowerment Cell & Institute Innovation Cell (IIC) on 30th August, 2022. Dr.M.Hemalatha, Director, M.A.M.B-School welcomed the gathering and stated that Ganesh Chaturthi is a festival that is celebrated on the birthday of Lord Ganesha who is the son of Lord Shiva and Goddess Parvathi. She also informed that the everyone need to adopt and follow eco-friendly practices in order to sustain the environment from detrimental effects. She reiterated that any celebrations should not harm, hurt or disturb anyone right from aged to children and also to our precious ecology. It is our responsibility to make use of eco-friendly festivals in a larger way so that there will be a pollution free atmosphere everywhere and we can celebrate it without any harm to our environment. She also opined that the rationale behind to organize this workshop with the motto of creation of awareness on environmental sustainability, in the form of make the Ganesha idol by using clays and other eco friendly properties.

As part of this workshop, the students were divided into so many teams and informed to make Ganesha idol. A special kind of sweet called modak is prepared in the joy of the special occasion. During the workshop various Eco Friendly Ganesh Idols with "Mud/Clay" or "Turmeric" or "Flour", "Wheat", "Ganesh Idol by leaves", "Be The Change Go For Green (Clay) Ganesh" etc were made by the team of students. The entire workshop was a very much creative and as well as quite inquisitive for all the students and learnt the basic skills of making idols and save the environment by and large. It was a great celebration and it brought the students together to celebrate the festival together. Ms.M.Akila, Assistant Professor informed that this festival celebrates the birthday of the Hindu deity Lord Ganesha who is believed to be the remover of obstacles of life and she made the requisite arrangements and also guided the students for successful completion for the programme.

Students prepared Eco Friendly Ganesh Idols with "Mud/Clay" or "Turmeric" or "Flour", "Wheat", "Ganesh Idol by leaves"

M.A.M.B-School Women Empowerment Cell: Awareness programme on menstrual health, T. Dhiviya Narbhavi, Assistant Professor, Department of Obstetrics and Gynecology, SRM Medical College, Tiruchi, speaks, 2.30 p.m.

M.A.M.B-School: Millet food contest,
10 a.m.

M.A.M. B-School: Workshop on 'Effective Public Speaking', training by J. Jeyachandiran and R. Mohammed Ghouse, Zone Trainers, Zone XXIII, JCI India, 9.30 a.m.

GENERAL

M.A.M.B-School: 'Energy Swaraj Yatra: Energy, climate and I,' Chetan Singh Solanki, founder, Energy Swaraj Foundation, chief guest, 4.30 p.m.

M.A.M.B-School: Annual Day, Achievers' Day and Sports Day, 10 am.; session on leadership, Anand Srinivasan, author and consultant, chief guest, 11 a.m.

Budget Analysis-2022

Teaming up with Yi (Young Indians), M.A.M. B-School conducted a programme on 'Budget Analysis-2022: Key Highlights', to enable students understand about the proposals for infrastructure development, inclusive development, productivity enhancement, energy transition and climate action, and other aspects. Dungar Chand U Jain, Chartered Accountant, explained about PM Gati Shakti master plan that aims to bring 16 Ministries including Railways and Roadways together for integrated planning and coordinated implementation of infrastructure connectivity projects. He also dwelt on the introduction of digital rupee (Central Bank Digital Currency-CBDC) to be issued by RBI, and on the PM e-VIDYA initiative, to enable all states to provide supplementary education in regional languages to children for classes I to XII, Kishore, Yuva Chair; C.Pradeep Yi-Chair and M.Hemalatha, Director, M.A.M.B-School, also interacted with the students.

Gender sensitisation

The Gender Champion Club of M.A.M. B-School, Tiruchi, organised a guest lecture programme on Gender Sensitisation to apprise students of their roles in bringing about women's development in the society. Handling a session, N.Manimekalai, Director and Head, Department of Women Studies, Bharathidasan University, said gender sensitisation was a basic and fundamental requisite for normal development of an individual. There was an imperative need for gender sensitivity in today's challenging world to examine personal attitudes and beliefs that paves the way to understand the realities. M.Hemalatha, Director, M.A.M. B-School, also addressed the students.

M.A.M.B School: Budget analysis, Dungar Chand U Jain, Chartered Accountant, speaks on key highlights, 2 p.m.

Placement Drive

The Training and Placement cell aims to provide students with an environment where they can use their potential to extreme along with gaining valuable experience of working in the industry, it is a network of communication between various companies seeking talented students in various disciplines. The placement cell at the institute has a crucial role in guiding & assisting the students for their entry into suitable employment and successful career. The placement cell of the Institute provides guidance and all the assistance to the students for achieving their career goals. The cell takes relevant steps in identifying the demands of the industry and prepares the students towards this need. Adequate emphasis is given for soft skills development along with the regular academic program. Group discussions and aptitude tests are conducted at regular intervals to enable the students to improve their performance during placements. The placement cell makes an endeavor to enhance the employability of the students by conducting pre-placement industry/corporate related activities like Regular Corporate Guest lectures, Mock interview Sessions, Sector wise Panel discussions and corporate seminar etc. Institute invites mid to top level corporate professionals on campus to guide and groom students as per corporate expectations. Every year the institute invites national and multinational companies for campus recruitment for final and summer placements. The institute has established good understanding with top companies like Capgemini, Vagus Technologies, Conserve Solutions, Bright Services, Parle Agro for Placements.

St.Joseph's College (Autonomous), Tiruchirappalli organized "Career Guidance Programme" on 27.4.2022 to Under Graduate students. Mr.S.Prasanna and Ms.S.Kiruthiga, Assistant Professor were invited as guest of honour for the programme. Mr.S.Prasanna spoke about that the students need to focus on employability skills which are essential corresponding to face the today's cut throat competitive world and the importance of futuristic vision to be by everyone. He also covered various career avenues in the form of data scientist, event management, online instructor, social entrepreneurship etc for the students. Ms.S.Kiruthiga delivered a session on tremendous opportunities available after the under graduation and steps to be followed by them corresponding to get ready of oneself to face corporate world. The programme comes to an end with an interactive session of the students with the guest speakers.

A.V.V.M Sri Pushpam College organized "Career Guidance Programme" on 14.12.2021. Mr. A. Anburaj and Mr. S. Prasanna Assistant Professor were invited as resource persons for the programme. Mr.A.Anburaj delivered a session by stating many career options available for the under graduate students and how to enrich the skills as per the industrial needs. He explained majorly on the various skills sets to be enhanced through consistent efforts through various platforms. Mr. S. Prasanna explained about the higher educational opportunities for the students by uplifting the knowledge , exposure and capabilities. He has motivated the students to have clear vision and progress through the contemporary arenas to reach greater heights in life. Overall, All the students inquisitively participated and gained much knowledge regarding career prospects, and resolving the queries patiently by the resource persons and the session served the purpose.

Mr. A. Anburaj and Mr. S. Prasanna presented Career Guidance Program at A.V.V.M Sri Pushpam College

Faculty Presentations

Resource Person : Mr. S. Prasanna

Title : Prototype/ Process Design and Development

Institution's Innovation Council (IIC) & Department of Mechatronics Engineering had the privilege of having Session on "Session on Prototype/Process Design and Development" by Mr. S. Prasanna, Assistant Professor, in the Department of Management Studies at MAMBS, Trichy. The Main Objective is to make people learn prototype is a simple experimental model of a proposed solution used to test or validate ideas, design assumptions and key aspects of its conceptualization quickly in direction.

Mr. S. Prasanna demonstrated the Prototype development deals with the development of the product. He initially given the glimpse of the multiple prototypes varied in form, fidelity, interactivity, and lifecycle and he explained the wider facets of designing the prototype and mentioned the various dimensions when making a product, in terms what the product will look like, how it will work, and various other things during the initial phase. In addition, techniques involved in the prototype development were delivered by the guest. Students carefully observed the Prototype designing module, techniques procedures curiously and interacted with the resource person enthusiastically. After delivering his lecture he encouraged students to clear their doubts and clarified many doubts of the prototype designing. The resource person advised the students to effectively utilize the gained knowledge in projects implementation and prototype-modeling. The program ended by asking students to effectively utilize the learned skill in future where design and development skills are required. The expert talk eventually ended opening up new horizons for the students.

Resource Person : Mr. A. Anburaj

Title: Business Model Canvas

Mr. A. Anburaj, Assistant Professor, M. A. M Business School delivered a session on Business model canvas on 20-04-2022 at M.A.M. School of Engineering. The motive of the session was to make the students to understand basic BMC and its applicability for a new as well as an established business. The resource person elucidated about BMC which is a very accepted business planning tool and he preceded the cumbersome process of preparing a detailed Business plan. He highlighted that BMC acts like a broad framework for any new/existing business and is an iterative process. All the 9 blocks of the basic Business model Canvas were explained by taking examples from the business world. He also elucidated about the various building blocks such as customer relationships, key resources, cost structure and other segments involved He enumerated with the real time analytics and bridged how it helps an entrepreneur to communicate goals to the team and customers and to focus what the business does and will continue doing in future. He described majorly about the revenue streams, channels and value proposition. At the outset, he narrated the BMC Model in a sequential way with regard to what is a Business Model Canvas and how to start a business, what should be the factors that an individual should keep in mind before starting a business, why customers will buy which are dimensionally equated with live examples to understand a business model Canvas better. The resource person instilled and equipped students to conduct proper research on the market to know the demand and customers' perception of the product and also focus on customer relationships to bring their business to a better position. It was really an interactive session where students asked their queries and requested to solve doubts. Students appreciated the session was very interesting, interactive and impactful. Students got a lot of inspiration and learnt a lot by attending this session. The session was ended with felicitation to the resource person by the department as a sign of gratitude.

Industrial Visit

"National Institute of Food Technology, Entrepreneurship and Management," Thanjavur(NIFTEM-T) on (17.05.2022)

A one day Industrial Visit was arranged at "National Institute of Food Technology, Entrepreneurship and Management, Thanjavur (NIFTEM-T) on (17.05.2022). Students got various nuances about the food processing and its applications as part of this Industrial Visit. The National Institute of Food Technology, Entrepreneurship and Management - Thanjavur (NIFTEM-T) has its modern laboratories equipped with hi-tech instruments, is engaged in the R&D of food grain processing, value addition, by-product utilization through bio-processing, process and product development. It focuses on providing solutions to all food processing areas including fish, meat and dairy products processing through intensive research and development activities. Students have visited the hi-tech and cottage level food processing incubation cum training center. Students have understood how the institute is supporting entrepreneurs with hands-on-training on different food processing technologies, renting facilities and other supports are offered all thought the year to help the entrepreneurs to put in their innovative ideas for the development of new products. The technicians clarified the doubts and explained the overall functionalities they provide in bio- processing.

"Interview Conversation" and "Logical and Analytical Skills"

Skill Development and Placement (SDP) successfully organized and completed three days programme (14.02.22 - 16.02.22) : "Workshop on Interview Conversation" and "Workshop on Logical and Analytical Skills".

The guest speaker explained all the scenarios of Interview Environment. She also elaborated the ways of explaining and justifying the answers of various questions and make a very good impression on the interviewer. She talked on various aspects of interview process and questions asked normally in the interviews. She gave deep insights of mistakes which candidates make while attending interviews and explained about overcoming from those mistakes. She explained how to give the answers very effectively of the most frequent questions asked in the interview. She explained about the different types of reasoning questions which are intended to judge analytical and logical reasoning skills of the candidate. Along with that she has also trained the students to see patterns and trends, to draw logical conclusions, and be able to solve the analytical, logical questions within the bounded time frame. The session has equipped students to find solutions to various problems and make concrete decisions and action plans to solve those problems. She concluded the workshop by motivating everyone to stay calm and positive during the interview process.

FDP

DUST OFF YOUR DESIGNING SKILLS – Using Canva App

One day workshop was organized on “DUST-OFF YOUR DESIGNING SKILLS-Using Canva App” on 24th January, 2022. Dr.A.Kanimozhi, Assistant Professor, M.A.M.Business School was the resource person for the programme. She initiated the session by stating that all faculty members need to ignite the fire of imagination and creativity to become mastery in designing aspects.

Dr. A. Kanimozhi, Assistant Professor, M.A.M.Business School

Dr.A.Kanimozhi also informed that the various inputs on changing colours, and highlighted that sketching a rough outline of the design on paper before beginning of any design that generates best in all aspects. She also informed about the overview of Canva which is an Australian graphic design platform, used to create social media graphics, presentations, posters, documents and other visual content. Dr.A.Kanimozhi stated the various components of developing designing skills with the faculty members. She discussed various tips to make the designs look good, how to choose the dimensions in design, methods and templates of creating background design, choosing of right fonts, adding text and images.

She also informed about the templates for users to use, how to create a background for design using Canva that are paves the way to attain our desired destination in terms of elegant look and also to make the poster more effective. She also covered resizing, cropping, and layering of photos to create a variety of visual effects and its outcome with the faculty members. The entire programme definitely served the purpose in an thought provoking manner by understanding the importance of designing skills and its applications by all faculty members. Dr.M.Hemalatha, Director, M.A.M.B-School given the felicitation address and stated that creative designing skills and its implications that are quintessential to be by the faculty members and prizes were given to the best design

NAAC and NBA Procedures

Dr.P.Lilly Florence, IQAC Coordinator, Professor & Head, Department of Chemistry, M.A.M..School of Engineering

Faculty Development Programme (FDP) was organized on “NAAC AND NBA PROCEDURES” on 23rd February, 2022. Dr.P.Lilly Florence, IQAC Coordinator, Professor & Head, Department of Chemistry, M.A.M..School of Engineering was the resource person for the programme and delivered a session on NAAC and NBA procedures. The resource person spoke about the overview of NAAC and NBA and role of IQAC to improve quality in educational institutions. The resource person elaborately covered her speech focusing on each and every criteria and its weightage with the faculty members. The resource person discussed about qualitative and quantitative metrics and the role of the institute in order to achieve the NAAC and NBA accreditation.

Dr.P.Lilly Florence gave an elaborative explanation of SOP (Standard Operating Procedures) in the revised methodology of assessment and the procedures to be followed in each and every criterion wise corresponding to accreditation of the institute. She informed by stating the importance of teaching learning process in the institution and feedback system. She also pinpointed that quality enhancement initiatives of IQAC and proper documentation process as per SOP. She also expounded about the nuances in collecting data and evidence. Many queries pertaining to seven Criteria were raised by the respective criteria in-charges, which was clearly clarified by the resource person. She also gave many suggestions, which will be taken into account in future endeavours. All the faculty members inquisitively attended and were enlightened through the informative session. Dr.M.Hemalatha, Director, M.A.M.B-School given the presidential address and shared her valuable thoughts by highlighting the crux of NAAC and NBA. The session was more interactive and informative by the effective inputs that are shared by the resource person. The faculty members expressed their sincere gratitude towards thought provoking and informative session had by the resource person. Mr.S.Senthilkumar, NAAC Coordinator, M.A.M.B-School proposed the vote of thanks.

Alumni Meet

"ALUMNI MEET-2022"- was organized to facilitate, consolidate and coordinate Alumni Activities in Seminar Hall on 12th January 2022. The programme arranged to reconnect with the Alumni and celebrate their success and various achievements. The alumni members shared their career experiences and learning moments of campus life to the audience. All the alumni interacted with the faculty and cherished their memories. The alumni also shared their experiences in their college days and their journey from student to the present. More than 100 students of various batches attended the function. The programme finally concluded with cultural programme. Alumni's given their assurance that they will give active hands by providing job opportunities to their juniors, Support of industrial visits by signing MoU's and Industry-Institute Partnerships etc.

All the Alumni students were in their exclusive shades and colors -driving away the dire fact of growing old and became a young student again. They revived and rejuvenated their old memories and sharing their nostalgic moments with their old friends and lit up their faces with the beautiful divine smiles and later on they shared their post college life memorable events and introduced others to their families. The Alumni meet ended with a promise that everyone meet again with an emotional farewell to each other. Dr.M.Hemalatha, Director, MAMBS given the felicitation address and shared the information about milestone achievements of the institute. She also pinpointed that the aim of this programme is to build a bridge between institute with alumni, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Dr.R.Karthika, Alumni Coordinator, MAMBS highlighted that the alumni from all over the world contributed significantly for the students and institute development.
