FEEDBACK ANALYSIS REPORT

Stakeholder input is consistently gathered for all aspects of the program. The feedback is carefully reviewed to determine the best course of action, and suggestions for improvement are made based on this analysis. In particular, the input from this student strongly supports the view that faculty members play a significant role in shaping students' personalities and careers through their teaching.

SUMMARY OF FEEDBACK REPORT FOR THE ACADEMIC YEAR 2024-2025

S.No	Stakeholders	Feedback Received	Action Taken
1	Students	Activities related classes and placement training to be needed	Based on the student's feedback, we have decided to implement placement training activities during the final two hours of class. This initiative is a practical step toward preparing students for their careers while directly addressing their needs and suggestions.
2.	Faculty	Experiential Learning to be incorporated in the classes	To further enhance student understanding, we have decided to incorporate more project-based activities into the curriculum. This approach is highly effective, as hands-on projects not only increase student engagement but also deepen their comprehension of real-world applications, complementing their theoretical learning.
3.	Alumni	Students appreciated the infrastructure and Placement of the institute.	Based on the last year feedback. Current year we focused placement for the logistics students.
4	Employer	Aptitude classes need to be organized and attitude of the students to be maintained properly.	Organized external placement training to the students related to Aptitude and Soft skill.
